EDUCATION

Master of Business Administration (MBA) in Accounting

National University, Bangladesh

ABOUT ME

My programming journey began with HTML, CSS, and JavaScript and gradually expanded into React, Next.js, Node.js, Express.js, and MongoDB. I enjoy building real-world applications, creating clean interfaces, debugging problems, and learning new tools.

CAREER OBJECTIVE

To build a professional career as a Full Stack Web Developer where I can apply my technical skills, contribute to meaningful projects, solve real-world problems, and continuously grow as a software developer.
